

Die Krupps "Rings Of Steel"

Visit "[Rings Of Steel](#)" on MotoLyrics.com

3 rings to symbolize
a new direction for your life
the truth the beautiful and the good
are the things for which we strive

noone can melt them
the rings of steel

noone can bend them
noone can break them
the rings of steel

3 rings to symbolize
a new era on the rise
strength beauty and belief
are the ideals to achieve

paint the 3 rings on your flag
burn the 3 rings into your flesh
keep the 3 rings in your heart
hail hail to the rings of steel
