In the shining moment
I saw her beauty
Going out and taking
There was a really
Special atmosphere

"The Empire is strong my soldiers,
We took control of the last land
Before the sea"

We walked among the stars
With light under our feet
And the way always seemed
Too long
No darling you can't know
The unknown
But you will take part in this
Lonely and sadly walk

I've been trying everything
I chose my best for doing it
And after the red light
I had only this memory
Nothing is decided at all
Nothing is decided at all
Nothing is decided at all
Nothing is decided at all

No darling you can't know
The unknown
But you will take part in this
Lonely and sadly walk

I've been trying everything
I chose my best for doing it
And after the red light I had
Only this memory
Nothing is decided at all
Nothing is decided at all
Nothing is decided at all
Nothing is decided at all
