I don't know what I want  
I don't know where I stand  
Between another man  
I know but how 'bout you  
I don't know what I want

So baby believe me  
Do you want to go?  
No, no doll, I know  
But how 'bout you?

Too bad darling now it's done  
I'm dragging you down  
Take it all night, baby  
We tried for so long, now it's done

I'm dragging you down  
I don't know where I stand  
Now how 'bout you?

I don't know what I want  
I don't know where I stand  
Between another man  
Don't know now, how 'bout you  
I don't know what I want

So baby believe me  
Do you want to know?  
No, no doll, I know now  
How 'bout you?

I know but how 'bout you

When I'm lying next to you  
I'm fucking dead with you  
I know but how 'bout you  
Too bad, darling now it's gone

I'm dragging you down  
Take it all night baby  
We tried so hard now it's done  
I'm dragging you down

Take it home, good night baby  
We tried for so long now it's gone  
I'm dragging you down

Take it all night baby  
We tried so love now it's done  
I'm dragging you down

I don't know where I stand  
Now how bout you?  
I know but how 'bout you?  
I know but how 'bout you?
