I don't get my kicks so quick no more
Million dollar fix to nix one girl
Talking to myself and down to the floor
Taken to the brink, we ask for more

Sip one more and this bottle's to the floor
(Puff) one time 'til you're probably wanting more

I have got some bad, bad medicine
Got some bad intention be sure, be sure
I have got some bad, bad medicine
Got some bad intent, now be sure, be sure

Murder me some mystery in smoke
We can kill some history, sister
Mary wanna hit and sniff all of mine
Knowing she'll be hooked and broke in no time

Sip one more and this bottle's to the floor
(Toke) one time 'til you're hollowed empty

I have got some bad, bad medicine
Got some bad intention be sure, be sure
I have got some bad, bad medicine
Got some bad intent, now be sure, be sure

La la

I have got some bad, bad medicine
Got some bad intention be sure, be sure
I have got some bad, bad medicine
Got some bad intent, now be sure, be sure

I have got some bad, yeah
I have got some bad, yeah

I have got some bad, bad medicine
Got some bad intention be sure, be sure
