Are we safe here?
Are we safe?
Save time for the ones lacking loved ones
Save their time
They're our future
Oh my god I think I've found the cure
We'll raise them right
Cause all their drugs are mine.

THEIR FUTURE SPEAKS SO LOUDLY BABY
OH SO LOUDLY

It's our time

We'll raise them right
We'll raise them right this time
Come on now give it up darling
We've got the proof, we've got the proof
You're just as down and durrday as the last boy in your
room

Supplied with qualities fit for a queen
We eat away at our sustaining scene

Take words the ones you know, the ones you love
Forget What's right, it's all about us this time.

Break it down the way we know how
Just look past the fine prints
And throw it away throw it away
We find the standards beeing
Thrown Away Thrown Away
THROWN AWAY THROWN AWAY!

Are we safe here?
Are we safe?
Save time for the ones lacking loved ones
Save their time
They're our future
Oh my god I think I've found the cure
We'll raise them right
Cause all their drugs are mine.

Their Drugs are mine
