Breaking rocks in the hot sun  
I fought the law and the law won  
I fought the law and the law won  
I needed money 'cause I had none sun  
I fought the law and the law won  
I fought the law and the law won  
I killed my baby and it feels so bad  
I guess my race is run  
She's the best girl that I've ever had  
I fought the law and the law won  
I fought the law and the law won  
Robbing people with my six-gun  
I fought the law and the law won  
I fought the law and the law won  
I lost my girl and I lost my fun  
I fought the law and the law won  
I fought the law and the law won  
I killed my baby and it feels so bad  
I guess my race is run  
She's the best girl that I've ever had  
I fought the law and the law won  
I fought the law and the law won...
