[Originally by Sex Pistols]

God save the sex pistols they're a bunch of wholesome blokes

They just like wearing filthy clothes and swapping filthy jokes

God save television keep the programmes pure

God save William Grundy from falling in manure

Ronnie Biggs was doing time until he done a bunk

Now he says he's seen the light and he sold his soul to punk

God save Martin Boorman and nazis on the run

They wasn't being wicked God that was their idea of fun

God save Myra Hindley God save Ian Brady

Even though he's horrible and she ain't what you call a lady

Ronnie Biggs was doing time until he done a bunk

Now he says he's seen the light and he sold his soul to punk

Ronnie Biggs was doing time until he done a bunk

Now he says he's seen the light and he sold his soul to punk

God save politicians God save our friends the pigs

God save Idi Amin and god save Ronald Biggs

God save all us sinners God save your blackest sheep

God save the good samaritan and god save the worthless creep

Ronnie Biggs was doing time until he done a bunk

Now he says he's seen the light and he sold his soul to punk

Ronnie Biggs was doing time until he done a bunk

Now he says he's seen the light and he sold his soul to punk

Sold his soul Sold his soul Sold his soul to punk
