Whispering voices in my head
Sounds like they're calling my name
A heavy hand is shaking my bed
I'm weaking up and I feel the strain
I'm feeling pushed again...
Why should I go where everyone goes?
Why should I do what everyone does?
I don't like it when you get too close
I don't want to be under your thumb
I'm feeling pushed again....
Why can't you just leave me alone?
Solitude is a faithful friend
Turn the lights off - I'm not home
Can't you see
I don't need your help?
You're going too fast when I want to go slow
You make me run when I want to walk
You're sending me down a rocky road
I get confused
When you start to talk
I'm feeling pushed again...
Why can't you just leave me alone?
You're dragging me right to the edge
I've got to go
When you jerk my rope
I don't know
Where the good times went
And I'm sick of this pain in my head
And I' scared of being pushed
Pushed again
It's getting more then I can take
It's like a band
Tightening around my head
If you keep pushing
Something's going to break
It's making me think
I'd be better of dead
Why can't you just leave me alone?
Solitude is a faithful friend
I'll sort my life
Out on my own

I just want this pressure to end
And I'm sick of this pain in my head
And I' scared of being pushed
Pushed again
And I'm sick of this pain in my head
And I' scared of being pushed
Pushed again
