You know you got it, it's just what I need
Your sex sells and I'm sold honey
So come over to me, yeah
'Cause I'm fully loaded and you're looking mean
You tell me you want to play with gun little darlin'
Let's have some fun, come on and play with me

chorus

'Cause you feel so right
with your back against the wall
You're so beautiful
from the top to the bottom of your soul

With the bite of your kiss and the curve of your hips
The way you move has got me consumed
C'mon, c'mon I'm about you
This is a lustful attack
As your nails run down my back
You know you got it, you got just what I need

*chorus*x2

'Cause you feel so right with your back against the wall
You're so beautiful from the top to the bottom of your
soul
'Cause you just feel so right
I gotta have it all
I'm gonna make it, make it to the bottom of you

cuz i feels so right x2
im gonn make it make it
to the bottom of you

to the bottom of you
