Relationships sit there sting like
bees to butterflies
you must remember to keep a cautious mind
its alright baby its also frustrating
its alright darlin
tell yourself
its over x6
tell yourself

chorus
you gotta swallow this down
you gotta make a stand
you gotta take one day at a time
as you swear

At times this all seems so hard hit or miss you cry
you must remember to keep a cautious mind
its alright baby to sit there waiting
its alright darlin
tell yourself
its over x6
tell yourself

chorus
you gotta swallow this down
you gotta make a stand
you gotta take one day at a time
as you swear

and you go your seprate ways
as you take this day by day
When theres nothign left to say
*you gotta sad song
i gotta a sad one too*
you gotta swallow this down
and tell yourself

chorus x3
you gotta swallow this down you gotta
make a stand
you gotta take one day at a time

as you swear
