Wake me up 'cause I can't sleep  
Call me any time you need  
I put my pain into you  
I hurt myself through you  
So, call me anytime you need me

As I lie here waiting I try to forget everything you mean  
But life don't keep waiting for you  
And I can't keep saying

So, so long to sleep  
'Cause you are everything that I dreamed  
So, so long to sleep  
'Cause you are everything that I dreamed

As i lie here waiting, i try to think  
Just what I'd do if I saw you  
What if I saw you?  
'Cause I don't want you to see me  
I'm broken down, torn up and lonely  
If I saw you, if you saw me

So, so long to sleep  
'Cause you are everything that I dreamed  
So, so long to sleep  
'Cause you are everything that I dreamed  
So long to sleep  
'Cause you meant everything to me

So long, so long  
So long, so long  
So what's left for me then?  
So what's left for me then?

'Cause you are everything that I dreamed  
So long to sleep  
'Cause you are everything that I dreamed  
So long to sleep  
'Cause you meant everything to me

So long, so long  
So long, so long

So long, so long  
So long, so long

If I wasted your time, I'm sorry  
For wasting your time, I'm sorry  
If I wasted your time, I'm sorry  
For wasting your time, I'm sorry
