Where are my thousand friends  
Where are all my toys now  
I wanna give them life  
Tell me what is new  
I am a scientist  
I wanna create friends now  
I see the future here  
Infinity is all  
Dancing on the beach  
Waiting for the saviour  
Dancing on the beach  
When the ship goes down  
I'm dancing on the beach  
Waiting for the saviour  
I'm dancing on the beach  
When the ship goes down  
Where has the beauty gone  
I wanna play that game now  
I'm not a joke for you  
I wanna fight against it  
You cannot kiss and kill  
You will feel the love too  
I wanna have my friends  
Life forever now  
Dancing on the beach

Waiting for the saviour  
Dancing on the beach  
When the ship goes down  
I'm dancing on the beach  
Waiting for the saviour  
I'm dancing on the beach  
When the ship goes down  
Where is the sanctuary  
Don't destroy my world now  
I wanna give you all  
Sing the song with me  
I wanna have my friends  
They've got the life and death, too  
I know it's dangerous  
The blade runner is near  
Dancing on the beach

Waiting for the saviour  
Dancing on the beach  
When the ship goes down  
I'm dancing on the beach  
Waiting for the saviour  
I'm dancing on the beach  
When the ship goes down
