Tell me where's the promised land
Tell me where's the silence
And I'll take your hand again and again
Come with me to a better world
In a wonderland, it's up to you
In a wonderland, where I'm waiting for U
Wonderland is my country
Tell me where I can find the rest
Tell me where is the solution
And I'll take your hand again and again
Come with me to a better world

In a wonderland, it's up to you
In a wonderland, where I'm waiting for U
Wonderland is my country
We don't need a king or a queen
We don't need their order
And I'll take your hand again and again
Come with me in a wonderland
In a wonderland, it's up to you
In a wonderland, where I'm waiting for U
Wonderland is my country
