I got real nigga ways thata neva change  
I keep it on point for hoes n bustas in da game  
she on my dick as soon as she heard a niggah name  
tellin me all type a shit  
swearin thata niggah'll lick  
I got a plan to get this money nonstop  
dem hoes see my vision  
thats why dem bitches flop  
dem hoes pussy pop as soon as I drop da top  
OH-five off my lane come n get yo ass shot  
boom boom boom on yo bitch ass, pussy niggahs  
watchin my sprillas, hatin tha kid, deuce roll villa  
I'm lookin good niggah, you livin fantasies  
I keep it hood niggah  
If a special on my mind den I'll address ya  
I got da type of beef that will make ya momma stress  
ya  
don't come around the crib  
don't come around da block  
don't come around da hood  
dem boyz got it hott

REAL NIGGA WAYZ, REAL NIGGA TALK  
REAL NIGGA WAYZ, REAL NIGGA TALK (4X)  
if a pussy niggah in there, he can see me  
tell him holla at me  
ain't no problem daddy, just know that I'm trigga happy  
I be paranoid, I don't trust a damn soul  
my pockets too swole, I know how da game go  
I analyze hoes, break em down, in-and-out  
plottin on a niggah riches knowin what dey ass bout  
that pussy so good, that head smokin homie  
its how she put it on me, let me kno that bitch for me  
WHOA, I ain't slippin about nothin muthafuckas  
I ain't doin shit but full-time hustlin'  
I got my mind on my money and the way I'm gon get it  
is my own in discussion, tell em  
and my go getta mind-state  
you kno its give or take  
I gotta stay straight  
pussy niggahs hate  
you kno I would relate

but the difference is I ain't stayin down an empty plate,  
niggah  
REAL NIGGA WAYZ, REAL NIGGA TALK  
REAL NIGGA WAYZ, REAL NIGGA TALK (4X)  
I ball neva fall cuz I neva had cash  
wat you smokin on niggah gon head pass that  
I reminisce on the days I didnt have a dolla  
niggahs ain't talk  
bitches ain't holla  
almighty father, what a niggah gotta do to get it  
I keep my faith in you, but I question my livin  
been bustin n givin  
I'm about to hit a lik  
I'm on my dick  
keep me outta prison  
WHOA, ther dey go, ther dey go  
let me make it out alive  
count yo momma 4-4  
hear dem sirens, sound like da po-po  
see dem comin around da corner  
fuck niggah get low  
hit da cut, puffin on a 50-pack  
tellin fools we hit da lik  
glowin wasn't havin that  
pullin straps, bustin that, niggahs tryna get away  
thats whatta real niggah go thru  
just to get paid
