Oooh that what it is

Akon:

Ehhh ehhhh ehhh

Konvict music, this is my life

yeahhh

akon and blue yeah

CHORUS:

This is the story of my life

Shot in the ghetto, born in the belly of the beast, i am a
product of these streets, eh-oh

This is the story of my life

standing on my toes, doin' what i gotta do to make this
cheese, everybody hearin me, eh-oh

This is the story of my life

(***** not understood)

everytime i step out i face 20 years

this is the story of my life

if you been goin through this thenn please throw up
your (****) highh

if it's your life

Billy Blue:

I'm coming from the hood

I live a life of crime

I know you heard stories, but nothing like mine

See i was born a G

mama died without warning me

all i know is poverty

slaying drugs and robbery

mugging like everyday

im meanest to society

foul on the side of me

who got the balls to betray me

i can't see nothing there

had a dollar and fifteen cents

steady hustling dropped outta school

ain't seen me since

lived a life of scene
got a shot, had to breathe again
my face on the tv and what this little mind gonna need
again
i ain't trying to make a dollar i ain't trying to make it
free
(****)

CHORUS
