Shitty "chugga chugga" riffs  
and your trendy Converge shirts  
i hate your posed way of cryin'  
your fashion sold as hardcore style

your black clothes makes me puke even more  
playin' in a band doesn't mean you're hardcore  
that's your life,your lies and greed  
i know you're lyin',you're betraying the kids!  
Slayer-like metal riffs  
i really hate your Botch cd's  
don't explain,i've understood  
what really sucks is your attitude!fuck you!

shitty "chugga chugga" riffs  
and your trendy Converge shirts  
i hate your posed way of cryin'  
your fashion sold as hardcore style
