AGITATED!

deny temptation

BOATS ARE SINKING UNTILL STANDING DEFENCES ARE
slowly fading I WONT GIVE IN TO YOUR COMPROMIZING
NEVER CRUMBLE no not this time

I AM SICK OF LYING TO MY SELF IT WONT ALWAYS BE
OK THE HOLE GETS DEEPER EVERYDAY (EVERYDAY) MY
NAILS ARE WORN AND FINGERS BLEEDING STILL I
REBURY MY SELF LOOKING BACK THERES ANOTHER
WAY A BETTER WAY THERES NO WAY THERE IS NO WAY

the walls have all decayed so now i can burrow through
an eliminate ONE MORE OBSTACLE i will shed my skin
leaving me so sanctifide so that no FORCE CAN
OVERCOME

CHALLENG THIS IS MY FIGHT
BENDING I WILL NOT BREAK
BEATING I WILL SEIZE THE DAY
AGAIN MAKE NO MISTAKE

the final chapter seems so distant still i carry on my
own head calls to me but im still unrelenting with no
shame (SHAME) i take aim (AIM)THIS WILL BE THE
GREATEST DAY

CHALLENG THIS IS MY FIGHT
BENDING I WILL NOT BREAK
BEATING I WILL SEIZE THE DAY
AGAIN MAKE NO MISTAKE
