Acárcate, Atrévete
Se siente caliente
Sedócame, Enséame
No lo dejes pendiente.

I want to stare so hard
It's making me loose my mind
So don't you break my heart
I'd rather have you eat me alive.
And before you go tonight
Make sure you are gonna take me home.

Acárcate, Atrévete
Se siente caliente.
Es hora de empezar.
Sedócame, Enséame
No lo dejes pendiente
Te quiero devorar.

With your electricity
I plug you in and have a good time.
What can you do to me
I am 16 ounce of Mexican prime.
And before you go tonight
Make sure you are gonna take me home.

Acárcate, Atrévete
Se siente caliente.
Es hora de empezar.
Sedócame, Enséame
No lo dejes pendiente
Te quiero devorar.

I like the way you swing it
And how you rock me
If I go too far

Please don't stop me
The way you are turns me on
But just one night could I be wrong
Your move is tight
It's so seductive
Touch my skin
I conduct this
Take my hand
You know I won't bite
16 ounce of you it's just right.

Acércate, Atrévete
Se siente caliente.
Es hora de empezar.
Sedceme, Enséñame
No lo dejes pendiente
Te quiero devorar.
16 ounce.
