I've always been impressed with a girl
Who could sing for her supper and get breakfast as
well
That's the way I am, heaven help me

He said, "We don't like peace campaigners around
here"
As he nailed another one to the wall
And that's what gets me in trouble, heaven help me

Goodbye and good luck to all the promises you've
broken
Goodbye and good luck to all the rubbish that you've
spoken
Your life has lost its dignity, its beauty and its passion
You're an accident waiting to happen

There you are standing at the bar
And you're giving me grief about the DDR
And that chip on your shoulder gets bigger as you get
older

One of these nights you're gonna get caught
It'll give you a pregnant pause for thought
You're a dedicated swallower of Fascism

Time up and time out for all the liberties you've taken
Time up and time out for all the friends that you've
forsaken
And if you choose to waste away like death is back in
fashion
You're an accident waiting to happen

My sins are so unoriginal
I have all the self loathing of a wolf in sheep's clothing
In this carnival of carnivores, heaven help me

Goodbye and good luck to all the promises you've
broken
Goodbye and good luck to all the rubbish that you've
spoken
Your life has lost its dignity, its beauty and its passion

You're an accident waiting to happen

You're an accident waiting to happen

You're a dedicated swallower of Fascism

You're an accident waiting to happen
