Gonna tell all you fascists, you may be surprised
People all over this world are getting organized
You're bound to lose, you fascists are bound to lose

People of every color marching side by side
Marching 'cross the fields where the million fascists
died
You're bound to lose, you fascists are bound to lose

All you fascists bound to lose
You fascists bound to lose
All you fascists bound to lose
You fascists bound to lose

All you fascists bound to lose
You fascists bound to lose
All you fascists bound to lose
You fascists bound to lose

I'm goin' into this battle, take my union gun
We'll end this world of slavery before this war won
You're bound to lose, you fascists are bound to lose

Race, hatred, cannot stop us, this one thing we know
Your poll tax and Jim Crow and greed have got to go
You're bound to lose, you fascists are bound to lose

All you fascists bound to lose
You fascists bound to lose
All you fascists bound to lose
You fascists bound to lose

All you fascists bound to lose
You fascists bound to lose
All you fascists bound to lose
You fascists bound to lose

All you fascists bound to lose
You fascists bound to lose
All you fascists bound to lose
You fascists bound to lose

All you fascists bound to lose
You fascists bound to lose
All you fascists bound to lose
You fascists bound to lose
