"Dolphins"

Sometimes, I think about
Saturday's child
And all about the times
When we were running wild

I've been searching
For the dolphins in the sea
Sometimes, I wonder
Do you ever think of me?

This world may never change
The way it's been
And all the ways of war
Can't change it back again

I've been searching
For the dolphins in the sea
Sometimes, I wonder
Do you ever think of me?

Searching in the sea

I'm not the one to tell
This world how to get along
I only know that peace will come
When all our hate is gone

I've been searching
For the dolphins in the sea
But sometimes, I wonder
Do you ever think of me?

This world may never change
This world may never change
This world may never change
