I hate the arsehole I become  
Every time I'm with you  
You know you've got me on the run  
But let me make it clear to you

That it's taken two fools such as we  
To make love deaf, dumb and blind  
Now you're upset 'cos I can't read your mind love  
You're upset 'cos I can't read your mind

I hate the arsehole I become  
Every time I'm with you  
I get the feeling looking in your eyes  
That somehow I should forgive you

I know that I'm guilty but I don't know what I've done  
And you're not about to let me join the fun are you  
You're not about to let me join the fun

I hate the arsehole I become  
Every time I'm with you  
I hate the way you try to give me back  
All the things I give to you

I know when I leave the room  
They say what's up with him  
But love is not a game you play to win, girl  
Love is not a game you play to win

If that face of yours could only talk  
The stories it could tell  
But the chase is always better than the kill, love  
The chase is always better than the kill

Oh, take [Incomprehensible]
