The people's flag is deepest red
It shrouded oft our martyred dead
And ere their limbs grew stiff and cold
Their hearts' blood dyed to every fold

Chorus:

Then raise the scarlet standard high
Beneath it's folds we'll live and die
Though cowards flinch and traitors sneer
We'll keep the red flag flying here

It waved above our infant might
When all ahead seemed dark as night
It witnessed many a deed and vow
We must not change it's colour now

Chorus

It well recalls the triumphs past
It gives the hope of peace at last
The banner bright, the symbol plain
Of human right and human gain
Chorus

It suits today the meek and base
Whose minds are fixed on self and place
To cringe beneath the rich man's frown
And haul that sacred emblem down

Chorus

With heads uncovered swear we all
To bare it onward till we fall
Come dungeons dark or gallows grim
This song shall be our parting hymn

Chorus
