Precious moments

When will I see you again?  
When will we share precious moments?  
Will I have to wait forever  
Or will I have to suffer and cry the whole night through?

When will I see you again?  
When will our hearts beat together?  
Are we in love or just friends?  
Is this my beginning or is this the end?

When will I see you again?  
When will I see you again?  
When will I see you again?

Precious moments

Are we in love or just friends?  
Is this my beginning or is this the end?

When will I see you again?  
When will I see you again?

When will I see you again?  
(Sweet, sweet loving brown eyes)  
When will I see you again?  
(Oh, my heart)  
When will I see you again?  
When will I see you?
