I can't stand this fallin for you
Every time I see you, I keep crawlin towards you
I can't take this aching feelin
This cold heart breakin feelin
I can't stand this fallin for you

Well I hang my head by the riverside
Burst its bank with the tears I've cried
The ripples roll out to the sea
I wish they was washin over me

I can't stand this fallin for you
Every time I see you, I keep crawlin towards you
I can't take this aching feelin
This cold heart breakin feelin
I can't stand this fallin for you
I can't stand this fallin for you
Every time I see you, I keep crawlin towards you
I can't take this aching feelin
This cold heart breakin feelin
I can't stand this fallin for you

Well your blood is red but your soul is black
Don't believe I'm a comin back
And now I know why the willows weep
The tide is high and the water's deep

I can't stand
I can't take
I can't stand this fallin for you
Every time I see you, I keep crawlin towards you
I can't take this aching feeling
This cold heart breakin feeling
I can't stand this fallin for you
I can't stand this fallin for you
Every time I see you, I keep crawlin towards you
I can't take this aching feeling
This cold heart breakin feeling
I can't stand
I can't take
I can't stand this fallin for you
