It's strange to hear your voice
I did not expect for you to call
You wonder how I'm doin
How I'm holdin up
Since you did me wrong

[chorus]

Well how am I doin' since you did what you done to
me?
I can't lie I sometimes cry when I think of how it used to
be
I keep my friends with me, I stay busy and I don't get
much sleep
Baby, that's how I'm doin since you did what you done
to me

Well now wait one minute, I
Failed to mention
Those tears I cried, are tears of joy
Cause' it was no fun there
Under your thumb and
Now that we're done I'm
Gettin' right every night
With every single ever-lovin' girl in sight, so

[chorus]

Well when all my friends heard what a
You know what you were they

Took me out on the town
But then I heard our song and
I dance along but
It felt all wrong cause'
She was sweet, she let me lead
She never took her ever-lovin' eyes off me so

[chorus]

Well I don't know what you were thinkin'
Runnin' round on me
Now you say you're sorry

Well honey I agree...so

How are you doin' since you did
What you done to me
Girl don't lie you know you cry
Cause' you know how good it used to be
Yeah, tell me does the thought of
Losin' my true love make it hard to sleep, baby
How are you doin' since you did
What you done to me

Yeah how are you doin', now that you know
How I'm doin since you did
What you done to me
