Just because it didn't last
Doesn't mean that we were wrong
We both fell in love so fast
And now it's gone
And the hurt is strong

Though we don't see eye to eye
And a wind's begun to blow
I'm gonna love you til I die
And I want you to no
Til they lay me low

I'll pray that love will bless and find you
Pray for joy and happiness
Pray for two strong arms around you
Pray

Was it something we can't see
Maybe somethin we don't know
If it wasn't ment to be
We should just say so
And let it go

I'll pray that love will bless and find you
Pray for joy and happiness
Pray for two strong arms around you
Pray that with time
You'll some day find
Peace

Oh oh

That with time
You'll some day find
Love
