Thought I died and gone to heaven  
When I first saw her there  
Standin' there in a sweat stained stetson  
With her cow at the County Fair

I thought I knew how to make a move  
But I can't make her mine  
I wish I could forget her  
But there's just somethin' in her smile

'Cuz she chews tobacco  
Rides on her tractor, drives all the cowboys wild  
She's a tall drink of water, a real farmers daughter

For her love I'd walk a country mile  
But I can't get within spittin' distance  
No matter how I beg or plead my heart's a crackin'  
She chews tobacco but she won't choose me

Well her momma said, "She liked old westerns"  
So I did my best John Wayne  
Said, I bet we'd go together  
Like grits on a gravy train

When I leaned in she gave a little grin  
And puckered up her lips  
And hit right where she was aimin'  
Now there's a little brown stain on my blue tag

'Cuz she chews tobacco  
Rides on her tractor, drives all the cowboys wild  
She's a tall drink of water, a real farmers daughter

For her love I'd walk a country mile  
But I can't get within spittin' distance  
No matter how I beg or plead my heart's a crackin'  
She chews tobacco but she won't choose me

I know it's wrong but I can't resist  
Thinkin' 'bout the taste of that first kiss

'Cuz she chews tobacco

Rides on her tractor, drives all the cowboys wild  
She's a tall drink of water, a real farmers daughter

For her love I'd walk a country mile  
But I can't get within spittin' distance  
No matter how I beg or plead my heart's a crackin'  
She chews tobacco but she won't choose me

My heart's a crackin', she chews tobacco but she won't  
choose me
