Hey girl whats your name?
It's so loud in here I can't hear a thing,
But I sure do like your style.
And I can see you came to rock in your blue-jeans and
white tank top.
Man that look drives me wild

And its hey now, here we go
DJ don't ya play nothin slow.
Keep those girls out on the floor,
Gotta make 'em wanna come back for more.
Been here since the sun went down, be here when it
comes back around
Worked all week its time to play
Gonna get a little bit sideways

Ain't no need to fight,
ya'll take that redneck stuff outside
That's what parking lots are for.
Once you're out, ya ain't coming back
that velvet rope ain't got no slack
Man they're bustin down the doors

And its hey now, here we go
DJ don't ya play nothin slow.
Keep those girls out on the floor,
Gotta make 'em wanna come back for more.
Been here since the sun went down, be here when it
comes back around.
Worked all week its time to play,
Gonna get a little bit sideways

Hey girl what's your name? It's so loud in here I can't
hear a thing
