Transforming into Mobed
For pleasure of mind
Body and soul, for all gods
You'll see the light

Shapeless fire of knowledge which
Whirl and clamor again and again

Standing on the shoulders
Horseback painted in gold
The child wielding the bow
Shod in flames, so let's rise our hands

So let's rise our hands and free our minds
So let's plunge into nihil, into Nuit
Where children of sun and moon
Shine upon our earthly consciousness

Evil against good
Aryman versus Ahura
Soul united with Daina
All parts swimming across macrocosm

Decomposition of our being
Into different dimensions

Transforming into Mobed
For pleasure of mind
Body and soul, for all gods
You'll see the light

Shapeless fire of knowledge which
Whirl and clamor again, and again
And again, and again

Standing on the shoulders
Horseback painted in gold
The child wielding the bow
Shod in flames, so let's rise our hands

So let's rise our hands and free our minds
So let's plunge into nihil, into Nuit

Where children of sun and moon
Shine upon our earthly consciousness
