Insufficient air  
At the time of crime,  
I see you  
But I don't think  
That my life  
Is just a snub.

I will do it  
And you are going  
To take me by the head,  
But it's normal, crude  
With my dusty lips  
I will kiss you  
Until your skin turns pale.  
White as the distant clouds,  
And running behind time  
You'll never avoid my presence.

Your animal blood  
That flows in the  
Judgment of the soul  
Breaks the laws of sacrifice  
That rips the truth,  
Because I'll be there  
And at your side  
I'll wait the anger path.

And again,  
To care the thought  
From the same  
Impenetrable hell  
Long and wavy road.

I know that you awake sleep  
The cloak and your skin  
Will be the same,  
Losing the winter  
The betray.

In the disillusion  
Stay the truth,  
Behind the truth.

I'll kiss you again  
And your skin  
Be most than honey,  
Your milk blood  
Will stay alive,  
As your warm flesh.

Frantic love among thebeasts  
You'll be most than ever  
Mys mystery lover  
You'll never regret  
If I'll just see you  
You'll be mine  
Forever.
