Buried in the sand
The ocean of desert
Halfway in between
Dream and real world

Called Ubar, called Irem
What have you concealed?
Cyclopean city

[Incomprehensible]
Symbol of all
War is condemned?

Capital of the undead
Bodies of hidden race
Bearing within cavern
Subterranean world

Half-reptilian beings
They are waiting
And this day will come
Strangers and followers

Followers, followers
Followers, followers
Followers, followers
Followers, followers

[Incomprehensible]
Symbol of all
War is condemned?

Great pillars
Abhorrent structures
Passion and taint
Empty quarter of our world

Sordid minds of generation
From beyond

Symbol of all
War is condemned?
