

Dies Irae "The Truth"

That which sleep
Is a part of the soul
That which watch
Is a part of the watching

Of perception
I am wandering
To the inner space
Of soul
[Unverified]

I know what I am looking for
And I am looking for things I already know
Contradiction and duality
Contradiction and unity

Of different levels
Of perception
I am wandering
To the inner space of soul

I am looking for the truth
'Cause this is my path
'Cause this is my destination
Love under will

The key of develop
From rationality to purification
And at the end
The shapeless flame
Whirling voice

The child wilding the bow of light
Standing on horseback painted in gold
Symbols united as the lion
Of knowledge and truth
