How can you not see?  
You are all I need.  
You are the one,  
The one for me.

You only wanted to use me,  
You did not truly love me.  
Now I see what you have become,  
Since I first met you.

Love is too big of a word for you to use.  
I don't know what I should do,  
Move on or wait for you.

You only wanted to use me,  
You did not truly love me.  
Now I see what you have become,  
Since I first met you.

(Instrumental Break)

Your desires got the best of you,  
I can't believe this is happening.  
Oblivious I have been,  
To your true personality.

You only wanted to use me,  
You did not truly love me.  
Now I see what you have become,  
Since I first met you.
