yesterday, I called an old friend in l.a. we laughed for
hours about =
those days anyway, he's doing fine I'm glad to say it's
funny, some =
things never change my dreams fade, but my
memories are saved like the =
lion, they are brave what have I become? it's either all
or none I never =
wanted anything from this world but love will I
overcome? or will it =
leave me feeling numb? I never wanted anything from
the world but love =
destiny, I think mine's leading me astray I'm on the
tracks, here comes =

the train I can't complain, life's been good to me these
days I guess =
I'll just fade away
