me, I'm nothing but a goddam liar set me loose on the
wolves I am hungry =
hope the sides of the dice add to seven 'cause I won't
be back clean your =
plate and masturbate and fill the world with pride and
joy and look him, =
he's such a dream, he's mommy's little boy tell me
friends and tell my =
girlfriend what I said before I said I'm leaving town, I'm
outta here, I =
won't be back no more I just need to believe I have
gone away to become =
a big star I just need to believe a limousine, a record
deal, a video, =

I'll make it far greed, fill your pockets and your
swimming pools with =
silver build me a temple 'cause I'm your fucking hero
I've gone off the end =
of the world and I won't be back
