Yeah, everywhere it's looking like a house divided
Everywhere you look you can read it like a book
It's looking like a house divided
Gotta have the touch or you're not worth so much
Living in the house divided
Everywhere I go people wanna know
Why don't we have understanding?
But each and every turn love is on the run
Looking for a place to land
Out on the street and in the cool avenue
Why can't there be more of a natural harmony?
Everywhere you go it's,
