I heard the bell of hope today, was it real?  
I couldn't say, it doesn't matter anyway it was beautiful  
I felt lost and blown away, no return from this place  
There upon the table lay my two shoes  
Now I'm looking at you, looking at me  
Looking at things yesterday I could not believe  
I woke on a bed of thorn, I was lost and forlorn  
There was no joy, it was not available  
You just play your strings and things

For the virtue that it brings  
I heard the bell of hope and it was beautiful  
Now I'm looking at you, looking at me  
Looking at things that yesterday I couldn't believe  
Like the bell of hope  
The Bell Of Hope  
I heard the bell of hope  
I heard the bell of hope  
I heard the bell of hope and it was beautiful  
[repeat to end...]
