I work hard for my money...  
So hard for you, honey  
But if I sleep I have a dream  
(Gimme, gimme gas...)  
Oh, I'm driving to L.A....  
I'm star in a movie...  
Oh, This dream is so extreme  
(I know...)  
Hot stuff, emotion... (?)  
I drank a lot of potion... (?)  
Suddenly my car comes to stop  
Oh, Gimme gasoline...  
For my mercedes dream...  
Oh, Gimme, gimme gasoline...  
(Gimme, gimme gas...)  
Oh, Gimme gasoline...  
I'm in a movie scene...  
Oh, Gimme, gimme gasoline...  
(Gimme, gimme gas...)  
J.F.K. and Marilyn...  
Playing in a movie scene  
Marilyn and J.F.K....  
Staying in a big hotel  
When I wake in the morning...  
I'm tired, I'm yawning  
And I fall asleep again  
(Gimme, gimme gas...)  
(I know...)  
I'm robbing this mall, babe... (?)  
I took the money and ran  
Oh, This dream is so extreme  
(Gimme, gimme gas...)  
(I know...)  
Policeman are coming...

My engine is running...  
Suddenly my car comes to stop  
Oh, Gimme gasoline...  
For my mercedes dream...  
Oh, Gimme, gimme gasoline...  
(Gimme, gimme gas...)  
Oh, Gimme gasoline...  
I'm a the movie scene...  
Oh, Gimme, gimme gasoline...  
(Gimme, gimme gas...)  
J.F.K. and Marilyn...  
Playing in a movie scene  
Marilyn and J.F.K....  
Staying in a big hotel
