La da di
Only with you
La da di
Lonely and blue
Without you baby i'll die
Without you baby i can't smile

Oh baby i'm ready
And i need you like insane
Oh, i miss you like crazy
Miss you more and more everyday
Or maybe it's better to leave me alone
And maybe it's better
Your heart is a stone
And maybe it's better
A dream that i keep on my own

Only with you
Only with you
Only with you
Yeah
Oh ja ja ja ja ja hey

Oh baby i'm ready
And i feel we're going away
Oh, i need you - don't fool me
Baby call me and i'll be there
Don't send me roses - again and again
I'm just no hero
I'm just a man
Don't send me roses
A dream that i dream to the end.

La da di
Only with you

La da di
Lonely and blue
Without you baby i'll die
Without you baby i can't smile

La da di
Only with you
La da di
Lonely and blue
Without you baby i'll die
Without you baby i can't smile

La da di
Only with you
La da di
Lonely and blue
Without you baby i'll die
Without you baby i can't smile
