Written by Billy Burnette and Steven Soles.

Angeline you talk about love but do
you know what you mean
Angeline you talk about love but you're
just sweet sixteen
Well you may be the hottest thing in
high school
And honey that's okay
But you need someone baby to show
you all the rules
Angeline won't you turn your love
my way
Angeline I should've pulled out but
baby I'm too far gone
Angeline deep in my heart you know it
can't be wrong
Well you may be the hottest thing in
high school
And honey that's okay

But you need someone baby to show
you all the rules
Angeline won't you turn your love
my way
Angeline you talk about love but do
you know what you mean
Angeline you talk about love but you're
just sweet sixteen
Well you may be the hottest thing in
high school
And honey that's okay
But you need someone baby to show
you all the rules
Angeline won't you turn your love
my way
Angeline won't you turn your love
my way
Angeline won't you turn your love
my way
