Written by Billy Burnette and Michael Smotherman.

I was laughing at all these people, who
jump through hoops and loop de loop
in the name of love

I told all my friends this could never
happen to me

'Cause bein' free was all this boy was
thinkn' of

Then one night I met this woman

Who set my soul on fire

Now I'm a liar

Well I can't control these crazy feelin's

I found my heart is not my own

I'm in the danger zone

I'm in the danger zone

I'm in the danger zone

You got me in the danger zone

Now bells are ringin'

And lights are flashin'

Danger - look out boy

'Cause love is everywhere

Now all of my friends - now they're all
laughin'

I jump through hoops and loop de loop
but I don't care

'Cause one night I met this woman

Who set my soul on fire

Now I'm a liar

Well I can't control these crazy feelin's

I found my heart is not my own

I'm in the danger zone

I'm in the danger zone

You got me in the danger zone

I'm in the danger zone
