Written by Billy Burnette and Kostas.

(chorus)

(Got a) rock in my shoe, a rock in my shoe

Driving me crazy

Won't come loose

Rattle and shake, blowing a fuse

Can't stop got a little rock in my shoe

When I was a baby, long ago

Mama would rock me to and fro'

Daddy would play that rock and roll

Hooked me then and never let me go

(repeat chorus)

Couldn't sit still when I was in school

Didn't care much about the golden rule

They called me a rebel, called me a fool

They couldn't see I had a little rock in my shoe

(repeat chorus)

Now if you got troubles, you got some blues

You think the world's coming down on you

Don't worry honey, here's some news

All you need's a little rock in your shoe

(repeat chorus)
