Written by Billy Burnette and Mentor Williams.

I don't wanna hear that telephone ring
'Cause every time I answer the same
old thing
Baby it's all over town
You got this boy feelin' way down
Got me feelin' low
Tryin' to keep a secret you can't hide
I'm tryin' to keep a hold on my foolish
pride
I don't wanna know who you're seein'
'Cause if he's got you thinkin' 'bout leavin'
I don't wanna know
Now I wouldn't wanna change one thing
about you
Honey you gotta do what you gotta do

I'll loosen the chains and let you go free
When you wanna settle down
You can come back to me
I don't wanna hear you knock at my door
'Cause I don't need a heartache like before
I don't wanna know who you're seein'
'Cause if he's got you thinkin' 'bout leavin'
I don't wanna know anymore
Oh I don't wanna know who you're seein'
'Cause if he's got you thinkin' about leavin'
I just don't wanna know anymore
I just don't wanna know anymore
I just don't wanna know anymore
