Written by Billy Burnette and Michael Smotherman.

You got a new way of holdin' me  
You got a new way of talkin'  
You think that you're foolin' me and I can't tell  
Girl I got a message for you comin'  
down the wire  
I know you better than you know Yourself

(Chorus)

You've been rockin' with somebody new  
And that rolls all over my feelings  
You've been rockn' with somebody  
new

You got a new way of dressin'  
You got a new way of dancin'  
You think that you're foolin' me and I can't tell  
Girl I got a message for you comin'  
down the wire  
I know you better than you know yourself

(Repeat Chorus)

Well, it's never gonna be any different

Never gonna be the same  
People been talkin' bout it years  
and years  
And love is still the same old game  
You got a new way of kissin' you think  
I've been missin'  
You think that your foolin' me and I can't tell  
Girl I got a message for you comin'  
down the wire  
I know you better than you know  
yourself

(Repeat Chorus)

You got a new way of kissin' you think  
I've been missin'

You think that your foolin' me and I can't tell  
Girl I got a message for you comin'  
down the wire  
I know you better than you know  
Yourself

(Repeat Chorus 3 times)
