"To Love Somebody"

There's a light
A certain kind of light
That never shone on me
I want my life to be
Lived with you, lived with you
There's a way
Everybody said
To do each and every little thing
But what does it bring
If I a'int got you, a'int got you

You don't know what it's like
You don't know what it's like
To love somebody, to love somebody
The way I love you

It's the same
I see your face again
I know my frame of mind
You a'int got to be so blind
Am I so blind, blind to believe?
I'm a man
Can't you see
This is what I am
I live and breathe for you
But what good does it do, if I a'int got you?

You don't know what it's like
You don't know what it's like
To love somebody, to love somebody
The way I love you
