Well the beer's on the bar
And the smoke fills the air
And there's a fool in every corner
Man I just don't care
Tight pants line dance stetson hats
And cowboy boots
They got friday night get right
Honky-Tonk attitude

Well the waitress never leaves you
With a half-empty glass
And every girl on the dance floor
Shakin' her ...well
It's a two step three step
Outta step country mood
They got a friday night get right
Honky-Tonk attitude

Well now everybody knows
That's where everybody goes
Just to dance away their blues
So leave your cares behind
It's just a state of mind
What have you got to lose

Hey bartender pour us another round
We're just gettin' started
Don't shut us down
We need a slow dance romanced
Last chance rendezvous
We need a friday night get right
Honky-Tonk attitude

Well now everybody knows
That's where everybody goes
Just to dance away their blues
So leave your cares behind
It's just a state of mind
What have you got to lose?

If you've got a friday night get right
Honky-Tonk attitude

You need a friday night get right
Honky-Tonk attitude
