Diablo motors had a hell of a sale, downtown
yesterday,
Word got around, no money down, take years and
years to pay.
When I got there the lot was bare, but the salesman
said hold on.
For a little cash, I gotta two-tone Nash out behind the
barn.

If the Devil danced in empty pockets, he'd have a ball
in mine.
With a nine foot grand, a ten piece band and a twelve
girl chorus line.
I'd raise some loot in a three piece suit, give 'em one
dance for a dime,
If the Devil Danced in empty pockets, he'd have a ball
in mine.

Well he said friend it ain't the end let's see what I can
do.
If you own a home, I've got a loan, tailor made for you.
Then above the racket a voice in my jacket said, "I'll
tote the note."
The devil made me do it, talked me in to it, and that
was all she wrote.

If the Devil danced in empty pockets, he'd have a ball
in mine.
With a nine foot grand, a ten piece band and a twelve
girl chorus line.
I'd raise some loot in a three piece suit, give 'em one
dance for a dime,
If the Devil Danced in empty pockets, he'd have a ball
in mine.

They say debt is a bottomless pit where the devil likes
to play.
I'd sell my soul to get out of this hole, but there'd be
hell to pay.

If the Devil danced in empty pockets, he'd have a ball
in mine.

With a nine foot grand, a ten piece band and a twelve
girl chorus line.
I'd raise some loot in a three piece suit, give 'em one
dance for a dime,
If the Devil Danced in empty pockets, he'd have a ball
in mine
