well you filled up my head  
with so many lies  
twisted my heart till  
somethin snapped inside  
I'd like to give it one more try  
my give a damn's busted

you can crawl back home  
say you were wrong  
stand out in the yard  
cry all night long  
well go ahead and water my lawn  
my give a damn's busted

I really wanna care  
I wanna feel somethin  
lemme dig a little deeper  
nope, sorry, nuthin

you can say you got issues  
you can say you're a victim  
it's all your parents fault  
after all you didn't pick em  
well maybe oprah's got time to listen  
my give a damn's busted

lemme get this straight now  
your therapist said  
it was all just a phaze  
a product of the prozac  
and your co-dependant ways  
so, who's your enabler these days  
my give a damn's busted

I really wanna care  
I wanna feel somethin  
lemme dig a little deeper  
uhn, uhn

ah you tell me  
it's a desperate situation  
no telling what you'll do

if I don't forgive you  
you say your life is through  
well honey give me something I can use

my give a damn's busted  
aaaah you knew I was gonna say that didn't ya  
my give a damn's busted ha ha  
my give a damn's busted  
honey trust me  
my give a damn's busted bou  
my give a damn's busted  
you wanna do what?  
ha ha ha ha ha ha ha  
my give a damn's busted  
hey already starred in that movie  
my give a damn's busted  
not gonna do it  
honey trust me  
my give a damn's busted  
been there done that  
my give a damn's busted  
my give a damn's busted
