I'm stoned on your love
(take off Earl)
I don't need cigarettes or whiskey
I don't get a rush from caffeine
Ain't trippin out on nothing
Not into that scene

But I wake up every morning
And I take a shot of her love
It's a desperate habit if there ever was
She's the rock that I'm leaning on
She's my holy Jones
I got a thirst for her love comin on strong

she's my heart and soul addiction
she's the only one
I'm never giving it up
I'm stayin stoned on her love

I just can't live without it
I'm strung out and going insane
she's deep down in my bones
pumpin through my veins

She's the rock that I'm leaning on
She's my holy Jones
I got a thirst for her love comin on strong

She's my heart and soul addiction
Yeah she's the only one
I'm never giving it up
I'm stayin stoned on her love

She's my heart and soul addiction
I'm stayin stoned on her love
Hey she's the rock that I'm leaning on
Man I'm stayin stoned on her love

I'm stoned, stoned, stoned on her love
Yeah I'm stoned on her love
Stoned, stoned, stoned on her love
Whoa sweet baby don't you know that I'm stoned on

your love
Stoned on her love
